**JOINT MOTION FOR EXTENSION OF TIME TO FILE MOTION FOR  
PRELIMINARY APPROVAL OF CLASS SETTLEMENT**

Plaintiffs Theron Bradley and Tommy Jenkins (“Plaintiffs”), together with Defendants Silverstar, LTD (“Silverstar”), Gold Standard Transportation, Inc. (“Gold Standard”), and Amazon.com, LLC (“Amazon”) (collectively, the “Parties”), by their respective attorneys, hereby move for an extension of time to file the Motion for Preliminary Approval of Class Settlement. In support of their Motion, the Parties state as follows:

1. During the October 11, 2017 status conference, the Parties reported to the Court that they were still working towards finalizing the details of their written settlement agreement.
2. In that regard, a draft of the settlement agreement and exhibits and the motion for approval have been circulated and are being reviewed by counsel for the Parties.
3. As contemplated by the Parties’ discussions, Silverstar produced data after the status conference that the Parties agree require additional clarification and corresponding revisions to the settlement agreement, exhibits and motion.
4. The Parties are cooperating in this process and anticipate resolving any issues and finalizing the settlement agreement and motion during the additional time requested herein.

5. Accordingly, the Parties request a two-week extension of time, to and including November 8, 2017, to finalize the settlement agreement and to file the Motion for Preliminary Approval of the Class Settlement.

6. This is the first request for an extension, which all Parties agree is necessary.

7. The Parties further agree that no party will be prejudiced by a brief two-week extension.

WHEREFORE, for good cause shown, the Parties respectfully request that the Court grant an extension of time, up to and including November 8, 2017, to file the Motion for Preliminary Approval of Class Settlement.

Dated: October 24, 2017

Respectfully submitted,
